- Dry Land Farming promotion of Horticulture production and Water Management;
- Creation of Additional Irrigation facilities;
- Market support to farmers produce for ensuring fair and remunerative prices;
- Insurance of crops against production loss due to natural calamities;
- Assistance to the farmers under various agricultural and horticultural production programmes.

Emphasis on cash crops

†87. SHRI JANESHWAR MISHRA: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that the farmers have given emphasis on cash crops instead of conventional grains on a large scale in several areas of the country in the last few years;

(b) if so, whether Government have conducted any survey to ascertain the area of land brought under cash crops during the last ten years; and

(c) if so, the details thereof, State-wise?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTI LAL BHURIA): (a) Area under conventional foodgrain crops during last five years except 2002-03 remained in the range of 121 to 123 million hectares. During 2002-03 the area under foodgrains declined sharply to 111 million hectares due to severe drought that affect several States/ Regions in the country.

(b) and (c) The area under cash crops including the oilseeds, fibers, tobacco and minor crops like indigo, etc. is collected on a regular basis, as per land use statistics. A statement indicating State-wise data on area under cash crops for the latest year, for which information is available, *i.e.* 1999-2000, is enclosed.

†Original notice of the question was received in Hindi.

Statement

State-wise area under such crops as oilseeds, fibres and plantation including other cash crops for the year 1999-2000 (Area '000 hectare)
